1. For products aged 40 days and 60 days, availability is subject to stock. In case of insufficient stock, we will contact you via the email you provided. You can then choose to modify your order to 21-25 days or convert it into a pre-order.
2. Beef AI will contact you within a week of your order being placed. If the contact information provided is incorrect, please contact our official account (link below). For customers who do not update their information or do not respond to our contacts, Beef AI will cancel your order 15 days from the date the order was placed. Thank you very much for your cooperation.
3. For any product-related questions, please scan the QR code below and click on the official social media link to inquire.
